

Camp McKesson Activities

Each day we include a variety of daily activities ranging from structured group fun to independent time. These activities include arts and crafts, fun with foods, organized games, sports, drama, music and our Camp McKesson arcade. The additional special daily activities described below bring an added level of excitement and entertainment to the always-fun Camp McKesson. The Camp McKesson program will be held in the Orange County Convention Center in room W414 on the 4th level. It is open to kids ages 3 through 17 and due to licensing requirements, all children must be potty-trained. Teenagers may find our additional teen excursion program more to their liking. Please read below to learn more and contact CampMcKesson@afpevents.com if you have questions and would like additional information.
