Note: Limited quantities available – order while supplies last. Available products will ship on your next scheduled delivery date.

DID YOU KNOW? You can use this Mobile Companion Ordering tool in your pharmacies to create and place an order! We recommend creating practice orders in your store prior to arriving at the show. This will ensure you are logged in and ready to scan for products at our vendor booths.

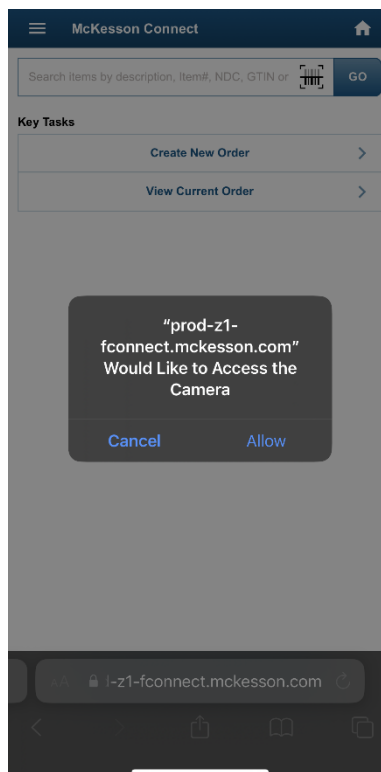

REMINDER: Discounted OTC ideaShare Specials are only available while supplies last, so order early! It is faster and much more convenient to use your Mobile Companion Ordering to scan items on the show floor and create an order than it is to wait in line to place an order via an ordering kiosk or waiting to place your order until after the show.
